GAMMA Shop Team

For every moment the right present!

We live hospitality.

About 30 years ago, Peter Gamma founded GAMMACATERING AG to create the most beautiful occasions, celebrations and weddings for friends and clients. With the Zunfthaus zur Saffran and the member restaurant HAUTE, the GAMMA Group operates two unique gastronomy concepts in Zurich. The latest addition to the group, the Theater Casino restaurant in Zug, complements the group with a further pillar in a prime location directly by Lake Zug.

In 2018, Peter Gamma ensured the continuity of his company and passed on his life's work to the next generation. Anke Krause, long-time employee and CEO of the group since 2013, takes over the majority of votes of the GAMMA Group together with Thomas Widmer, Managing Director of HAUTE and responsible for the Zunfthaus zur Saffran. In 2021, the circle of shareholders of GAMMACATERING was expanded and rejuvenated by the two long-standing employees Lukas Dietziker Managing Director GAMMACATERING and Niculin Peter.

Commitment to guests and customers also includes careful handling of resources and cultivating sustainability. With this in mind, the GAMMA Group has undergone an intensive audit. The result is gratifying: all establishments were awarded the sustainability certification "Sustainable Company" - for the sake of the environment and all of us.
